

Temos Aegean launched

PRESS RELEASE

The German based International Hospital and Dental Clinics Inspection and Certification body Temos GmbH is expanding beyond borders with the establishment of a new subsidiary in Cyprus, in order to serve the markets of Greece and Cyprus alike, under the name 'TEMOS Quality in Medical Care, AEGEAN Ltd'.

The insatiable demand for Temos seal of quality, coupled with the need for networking opportunities of Greek and Cypriot medical tourist entrepreneurs with international experts, lead Temos GmbH to establish this new partnership.

TEMOS

Quality in Medical Care, AEGEAN Ltd will operate in order to meet Greek and Cypriot markets' needs. Furthermore, the new company's mission is to provide through an interactive face-to-face cooperation with its customers

-
High level Inspection and Certification services to Hospitals, Medical/ Diagnostic Centres and Dental Clinics focusing to International Patients' Needs

-
Networking opportunities and Medical Tourism market intelligence for those who want to grow their business beyond national borders

-
Consultation- training services

Temos' specialty and expertise raises as the answer to the essential demand for the development of an objective framework regarding cross-border care quality assessment according to EU directions ('Application of patients' rights in cross border health care'; COM/2011/0090 final - COD 2008/0142) and international best practice.

TEMOS
