Temos Certification:

Market Differentiation differentiate your business while improving your knowledge, skills, and marketability with Temos **certification**. Temos certification in Medical Travel Coordination is an affordable, streamlined process to demonstrate to your clients that your services are trustworthy, transparent, and of superior quality.

Our team of experts provides invaluable feedback and suggestions for ways to improve your services from the required information and documentation you provide based in international best practices and practical experience. The personalized service ensures your organization receives the attention it needs to benefit from certification.

"At France Surgery we are passionate about providing the best experience possible for our clients. Being a Temos accredited company is essential to reassure our customers about our seriousness and skills. Temos certification definitely helped us to achieve the standard of excellence for our company and to stand out in the European market!"
- Carine Briat-Hilaire, CEO, France Surgery

"Temos certification has taught us a great deal about our own company – how to improve our methods, structure, and processes to make us more efficient and better able to serve our customers"
- Eszter Jopp, CEO, FirstMed Services

Frequently Asked Questions

What is the purpose of certification?

To (1) objectively assess, evaluate, and validate the quality of services; (2) identify areas for improvement; and (3) optimize the quality of services along the complete continuum of care.

Are there prerequisites to certification?

Yes, applicants must confirm being in business for at least two fiscal years and that comprehensive services from pre-travel to post-discharge stages are offered to medical travelers.

Can travel agents and tour operators apply?

Yes. Contact Temos HQ for more information.

For how long is the certification valid?

Temos certification is valid for three years.

How long does the certification process take?

The process takes between 3 to 6 months, depending on how quickly you provide required documents.

What are the costs of certification?

The initial costs are a flat fee based on the size of the organization. Annual fees are due at the end of certification year one and year two of the three-year validity period.
