

For reproductive care hospitals, clinics, and practices

Estimate your individual accreditation fee in only 2 steps!

STEP 1: Select the accreditation program for your organization by confirming that you satisfy the program's prerequisites

1. Quality in Reproductive Care

Prerequisites for Quality in Reproductive Care accreditation:

- Conduct business as a **licensed** healthcare provider in your country offering reproductive care **services according to national law** for at least one completed financial year.
- Manage reproductive care and non-clinical services with a **Continuous Quality Improvement** system.
- Cooperate with an **affiliated hospital** in case the fertility clinic is not located in a hospital.
- Your organization's practices are in accordance with **international standards of medical ethics**, as stated in the World Medical Association (WMA) International Code of Medical Ethics.

If you have ticked all 4 boxes, you are eligible to apply for "Quality in Reproductive Care" accreditation. If not, please contact us to review your options.

2. Excellence in International Reproductive Care

Prerequisites for Excellence in International Reproductive Care accreditation:

- Conduct business as a **licensed** healthcare provider in your country offering reproductive care **services according to national law** for at least one completed financial year.
- Manage medical and non-medical services with a **Continuous Quality Improvement** system.
- Your "**International Patient Department**" offers comprehensive services including: pre-travel, on arrival, inpatient treatment, discharge, and post-treatment follow-up.
- Manage international patients** for at least two years.
- Assure **24/7 access to multilingual** staff (or interpreters) for patients and relatives.
- At least **10 % of your inpatients are regional** (travel within the country or cross nearby borders to receive treatment) **and/or international patients**.
- Cooperate with an **affiliated hospital** in case the fertility clinic is not located in a hospital.
- Your organization's practices are in accordance with **international standards of medical ethics**, as stated in the World Medical Association (WMA) International Code of Medical Ethics.

If you have ticked all 8 boxes, you are eligible to apply for "Excellence in International Reproductive Care". If not, please contact us to review your options.

Qualified for either program? Next, estimate your professional fees.

STEP 2: Calculate your accreditation fee for a 3-year cycle

1. Quality in Reproductive Care accreditation fees:

Organizational structure	No of fertilization cycles	Accreditation fee (in Euro)	1 st annual fee (in Euro)	2 nd annual fee (in Euro)	3-year fee (in Euro)
Practice	< 500	9.300,-	1.000,-	1.000,-	11.300,-
