Temos provides business development opportunities for its client to grow networks and generate referrals. Through collaborative agreements with business, government, nonprofit, and educational organizations, the "Temos Alliance" opens doors for our accredited hospitals and partners.

Unique among the alliance members is the Diplomatic Council. The Diplomatic Council is a non-governmental organization that is granted special consultative status with the Economic and Social Council of the United Nations. This global Think Tank brings together prominent international leaders in diplomacy, business, science, and society to address the world's biggest challenges including access to quality healthcare. It is an elite business network.

Temos is the exclusive healthcare accreditation member of the Diplomatic Council.

Under the terms of our membership, no other accreditation company can join. This exclusivity delivers special business development opportunities to our clients.
