**Temos carefully selects international reputable organizations to provide its accredited partners with additional business development opportunities to grow networks and referrals.**

These collaborative agreements with business, government, non-profit, and educational organizations form the “Temos Alliance”, opening doors for our hospitals and clinics.

Temos has entered into numerous Memoranda of Understanding with international assistance companies giving Temos accredited hospitals and clinics the unique opportunity to be listed as preferred service providers to receive client referrals from this impressive list of assistance companies.

These companies provide an extensive array of insurance coverage including travel, medical, non-medical, cost containment, roadside, air ambulance, ground ambulance, repatriation, medevac and legal assistance services to leisure, business, and medical travelers and tourists.
